Duke of Connaught, Lord Dunraven and Admiral Von Eisen-decker, who represented Emperor William. The Meteor's victory disappoints Englishmen for a double reason. First, because they do not like to have the cup go to a foreigner and second because the result causes doubts as to the Shamrock's speed

The Prince of Wales was deeply interested and keenly anxious to win. His first question on landing was: "How much have I lost by?" When told by over one and one-half minutes he seemed anything but The Meteor's fine form is attributed to her change since last year from cutter to yawl rig and a prominent yachtsman ex-

The Shamrock Preparing to Sail. GREENOCK, Aug. 1 .- The Americas cup challenger Shamrock bent her jury sails today preparatory to starting Thursday for the United States. Lloyds' agents were very exacting in regard to strengthening the yacht, and the workmen have had great lifficulty in boring holes in the aluminium. Her compasses will be adjusted to-morrow. The challenger will proceed to Fairlie at about noon Wednesday and will remain there for the night. Sir Thomas Lipton's steam yacht Erin will join the Shamrock on Thursday morning and the two vessels will start for America about 10 o'clock.

DETROIT, Mich., Aug. 1 .- In the first inning to-day Elberfeld questioned a decision of Haskell's, and the umpire ordered him to the bench. This angered the shortstop, and he punched Haskell in the face several times, splitting his upper lip and marking his eye. Manager Vanderbeck says Elberfeld will play no more with the team this season after such a disgraceful action. Detroit won the game in the sixth inning

> The Prince of Wales and the Duke of York were on board the Britannia. The roads presented a brilliant spectacle. There were yachts flying the flags of all nations. Count Boni de Castellane's Valhalla was flying the stars and stripes, as were A. V. Armor's Utoawana, and A. J. Drexel's White Heather, which the Duke and Duchess of Somerset are to hire later. It is said Mr. Drexel will soon build an 1,800-tonner for transatlantic purposes. The Marquise De Gallifet and her son are guests of the Castellanes. Cheers for Ten Eyek. WORCESTER, Mass., Aug. 1.-The sec-

Champion Ten Eyck ed with continuous cheers while he was on the final heat of the single sculls and in the eight-oared race as stroke of the Wachusetts crew. His rowing in the singles was the distinctive feature of the regatta. He bad Amos Kubic, of Springfield, for competitor and beat him about twelve lengths. It is the most severe beating Ten Eyck has given any sculler and was done for the purpose of making a record for the mile-andone-half course. The previous record was 9:58 2-5, made by him three years ago. Today he covered the course in 9:46 3-5. Father and Son Killed.

On Saturday last he lowered the track record for five and a half furlongs to 1:06%. Toluca scared everything but Holdon out of the second race. It was not a race, as the filly took the lead from the start and galloped in an easy winner. The cup horses were a worrisome lot of youngsters, delaying the start for half an hour. Mesmerist broke in front every time, eventually getting off well. He was never headed, though had Turner made his move on Maribert sooner the decision might have been reversed, as the colt came strong under the whip. Speckels and Martin proved an invincible combination in the fourth race, and the former won easily without the latter's assistance. Precursor was the last of five favorites to gladden the hearts of his backers. Burns was fined \$100 for delaying the start in the third race. Precursor was sold after the race to Sam Taylor, terms

NEW YORK, Aug. 1.-The Electric handicap for two-year-old fillies and the Saragossa stakes for three-year-old fillies were the features of the card at Brighton Beach to-day. The last named resulted in one of the priettiest races of the season. Bettie Gray was the favorite at 7 to 5, with Satin Slipper and Sky Scraper equal second choices and Lady Madge the neglected outsider. The latter, with Sky Scraper, made the running to the far turn with the other two rating along two lengths back. As they
